

DOMESTIC ABUSE PERFORMANCE TARGETS AND MILESTONES

Use of form: Completion of this form is voluntary, however, the information requested must be provided.

Instructions: Provide an outcome statement, performance target and client milestones for each grant program.

I. Grant Program (Check one)

- ☐ Basic services ☐ Children's program ☐ Satellite program
☐ Support services ☐ Underrepresented populations ☐ Other - Specify _____

II. Outcome Statement

Provide an inspiring, far-reaching statement that defines the overall end state that you are working to ultimately accomplish; e.g., violence-free lifestyle, "peace in all homes", etc.

III. Performance Target

Defines success for your program in terms of what the customer will actually achieve. "For CY 2002, of the (number served), X will achieve _____. A performance target is observable and verifiable, bound in time, reflects a change in client conditions or behavior, doable with a stretch, and answers the question, "What is success?"

IV. Client Milestones

	Milestones Specific actions, steps, or small changes along the way most <u>clients</u> will need to take to reach the performance target.	Projected Number Annual	Verification How milestone is measured. May include direct evidence staff reporting, interviews, etc.
